

Evidence of Effectiveness Report

Union Bible College is fulfilling its mission of being an institution of higher education, which “is committed to the propagation of scriptural holiness and the preparation of servant leaders who change the world with the unchanging Word.” This evidence is demonstrated in the following ways:

1. Union Bible College develops the spiritual, physical, intellectual, emotional, and social dimensions of the students. The Wesley Wellness Profile from Spring 2017 indicates a spiritual index for our students of 95.3% and 93.3% of our students indicated that the campus atmosphere encourages spiritual growth. All areas of spiritual assessment on this report exceeded the averages of other Bible colleges that have used this survey. The Noel-Levitz Student Satisfaction Survey from Spring 2018 indicated an overall student satisfaction rating of 76.9% where the national norm of other Bible colleges was 89.6%.
2. Academic programs at UBC prepare students for life in accordance with God’s calling. 84% of the 2018 seniors reported that UBC prepared them for ministry.
3. The 2017 Wesley Wellness Profile indicated that 99% of our students demonstrate a strong adherence to the conservative Wesleyan-Arminian doctrinal belief system.
4. Since 1991, 79% of UBC’s students who graduated with a BA degree are in ministries related to their area of study.
5. The opportunity to begin ministry in a variety of settings, is demonstrated by 70% of the 2018 seniors reporting that the Christian Service assignments related well to their program of study.
6. An understanding of a diversity of worldviews as a foundation to determine the superiority of the Christian worldview is demonstrated by 86% of the 2018 seniors reporting that their Christian worldview developed during their time at UBC.
7. An engagement in critical, analytical thinking that will enable the student to make careful assessments and draw clear conclusions is demonstrated by our students scoring 71.6% on the Critical Thinking block of the CAAP exam in the spring of 2016. The national norm is 50%.
8. 84% of the 2018 seniors reported that the teaching ability of the faculty in their program is outstanding.
9. A Christian model of servant leadership is demonstrated at UBC by 96% of the students reporting that faculty and staff is devoted to serving the Lord. And 94% of the students reporting that the faculty and staff make them feel loved and accepted.
10. Institutional consistency in all facets of operation and communication is exhibited in that 76% of our students indicated that if they had it to do over, they would enroll at UBC again.
